

2011 PONY New England Regional Championship - Tournament Rules July 2nd – July 3rd 2011

1. Tournament structure – 3 games complete a first round, followed by a single elimination Championship round. There are 16 teams in this year’s tournament, broken into 4 brackets of 4 teams each. Each team will play the other 3 teams in their bracket once. After Saturday's pool play results are official, teams will be seeded into the single elimination championship bracket. Sunday’s Championships seeding will be calculated by overall results of all 16 teams combined and not by bracket results and will proceed as follows. 1 vs 16, 2 vs 15, 3 vs 14 etc... Home team during all Championship round play will be the higher seeded team.
2. Time limit - All games except championship will have a 1 hour 20 minute time limit. No new inning may start after 1 hour 20 minutes.
3. Championship game will have no time limit.
4. PONY mercy rules of 12 / 10 / 8 runs after 3 / 4 / 5 innings will be in effect for all games.
5. First round games that are tied when time expires will be recorded as a tie. In the case of a game being tied after 7 innings and the time limit not being expired the game will start the 8th inning with the international tie breaker rule. Still no new inning can begin after the time limit is met. Championship round games cannot end in a tie. If the time limit is reached at the start of the next inning (no matter how many have been played up to that point) the teams will immediately go to the international tie-breaker until there is a winner.
6. All games are seven (7) innings when time permits.

7. The criteria used for Sunday's seeding are in order as follows:
 - a. Wins (overall Record , ties trump losses)
 - b. Head to Head
 - c. Least runs allowed
 - i. Please note, runs scored will not be used as a tiebreaker, so please use discretion when holding a lead.
 - d. Coin toss
8. A coin toss will determine home team during first round play. Failure to appear when umpires call for coin toss will result in a 7-0 forfeit. Higher seed team will be home team during Sunday's single elimination play.
9. The tournament director will make every effort to bring the tournament to a successful completion, but reserves the right to cancel, reschedule, or change the time limits of games to accomplish this goal.
10. In case of rain Saturday, seeding for Sunday will be drawn at random. In case of rain on Sunday when no games can be played the Saturday results will be used to determine a champion. PONY weather rules for refund of tournament fees in case of bad weather will be in effect.
