BERKSHIRE BLAZE/NWS ELITE - 18U

Summer Travel Accommodations

~ Welcome All New & Returning Players & Parents~

Attached to this letter is a list of tournaments the Berkshire Blaze/NWS Elite team will be competing in this summer. We will be participating in seven "weekend" tournaments along with one "weeklong" tournament in Raleigh-Durham, North Carolina. The seven weekend tournaments include two tournaments in Greenfield, MA. , for which we **DO NOT** have prearranged accommodations for.

**** PLEASE READ ALL ATTACHED MATERIAL ****

As of now we have all the hotel arrangements made & reserved under Berkshire Blaze/NWS for each tournament, (except the Greenfield tournaments). *If any one is in need of accommodations for either of the Greenfield, Ma. tournaments, you can secure them yourself or let me know if you need assistance with that.* All of the tournament room blocks are for Friday & Saturday nights (with the exception of the North Carolina tournament- see the North Carolina section). We do have a few Thurs. night blocks in place for showcase participants, as outlined on the next page.

It is important to get your individual billing information attached to these room blocks A.S.A.P. These room blocks have been in place since January, and due to the fact we are running behind this year with obtaining the info we need for your reservations, the hotels are getting impatient. **OVER ->>**

That being said it will be **YOUR RESPONSIBILITY** to supply us with your individual credit card information (if you have not done so already) & the tournaments that you will need a reservation for A.S.A.P. (preferably today). At that point the reservation will be transferred from the team credit card to your credit card. **After that takes place I will notify you with your confirmation number, and it will be up to you from that point to alter or cancel your reservation as needed.** *(Again, these reservations are for a Friday & Saturday nights only. If you plan on attending a college showcase associated with any of these tournaments, please check them off now on your reservation form or you can add the additional night(s) if needed to your reservation yourself at a later date. We have set aside 4 rooms for each Thurs. night before a showcase tournament. These rooms will be released from our room block 45 days before the showcase if not reserved).*

If you are not sure if you can or cannot attend a specific tournament, I recommend letting me reserve for you now. You can always cancel at a later date. Most of our hotels can be cancelled up to 48 hrs before the tournament. Remember when calling a hotel to cancel use the local number, not the 800 number. This will get you directly to the hotel desk where our reservations are.

We always have a team room available for players whose parents are unable to attend. Each room will accommodate up to four players. The cost for this room if needed is \$25.00 per night per player. Please let me know A.S.A.P if you would need to stay in a team room. **(Checks for this are payable to Mike Ameen)**

We have spent many long hours to come up with the best rooms at the best prices and still be as close to the fields as possible, **take advantage of it!!!** We use all chain hotels (Sheratons, Marriotts, Ramadas, etc.) This usually assures us of nice accommodations for our stay. Some hotels offer a continental or hot breakfast included in the rate, some do not.

If you have any questions or problems regarding your arrangements please feel free to contact me.

Please read the following information regarding the North Carolina Tournament.

Pony Nationals Cary, North Carolina

July 24th – July 29th

Please note: Due to the large number of teams participating in this tournament, approx. 20-30 hotels are needed to house everyone. The Pony Nationals organization hires an outside concern to handle the accommodations for all involved. We ***MUST*** book through and cancel through that agent if we want to participate in the tournament. This is the tournament that is most crucial to get everything in order early on. As of now I have 16 rooms set aside @ the Fairfield Inn & Suites by Marriott, Raleigh-Durham/Brier Creek. I have to reserve now in order to get a decent hotel as close to the fields as possible. I have the rooms booked for check-in on Saturday July 23rd & check-out on Friday July 29th. Opening day ceremonies are Sunday July 24th from 5:00 pm until dark. Actual game play begins on Monday July 25th @ 8:00 am. The pony league has an agreement with all hotels involved that if a team gets eliminated from the playoffs, that they can check-out early without penalty as long as you check-out by the normal check-out time. (See enclosed hotel information pages.)

Cancellations: You can cancel your reservation completely up until noon 15 days prior to arrival without penalty, if you absolutely cannot go. Between 15 days up to 2 days prior to arrival a cancellation fee may apply, if cancellations exceed 30% of our total room nights reserved. Inside of 48 hrs. a cancellation penalty of 1 night + tax will be charged to you. See cancellation info enclosed.

All Cancellations have to go through me for this tournament

The hotel booking agent for this tournament works with one team representative to make the team arrangements. The hotel does not receive the reservation list until a few days prior to the start of the tournament. Therefore you cannot call the hotel direct, they will not have any of the reservation info. It also confuses things and may result in an incorrect reservation or cancellation.

*I will be in contact via e-mail as we get closer to the important dates outlined above. **It is important that we get all credit card info A.S.A.P.** I only have a couple of weeks to get my rooming list finalized and submitted.*

****One more note:** *Due to the substantial cost commitment to each family, I have included as much info as I could regarding the specifics of our lodging in North Carolina. Please keep in mind that I have to submit 6 choices from a list of approx. 30 hotels that are offered to us. After reviewing cost, amenities, location, & reviews, this hotel was # 3 on my list. It is a new hotel with excellent reviews and I am confident our stay will be pleasant. (Please see hotel info attached).*

The other thing we do not have control over is which complex we will be playing at. There are 12 complexes & 36 fields for this tournament. According to the tournament director we may not know our venue(s) until days before the start of the tournament. A pony tournament director has assured me that all of the hotels that were offered are no more than a 25 min. drive to any of the complexes.

If you have any questions or concerns please feel free to e-mail or call me.

I was working in the RTP area and decided to try this Fairfield. I was very pleasantly surprised. Customer service exemplifies this hotel...from moment we checked in until; the manager's reception; breakfast staff; not to mention the very efficient and courteous front staff (Amy) and airport limo driver (Ron). We will DEFINITELY return to this hotel any time we need to stay near the airport. Also able to leave the car at the hotel for a nominal fee....

“Great location, great value and a great bed.”

Date of review: Feb 10, 2011

We stayed at this location on our way to Hawaii. We left our car there for two weeks and were not charged anything. While there, we used their shuttle service to go to dinner. We were dropped off and when we wanted to return to the hotel, we called and the shuttle picked us up. We also used the shuttle...

“Visiting Family in Raleigh, NC”

Date of review: Feb 9, 2011

Fairfield Inn & Suites are known for their low rates and locations near highways. This Fairfield kept its low rate but is in an upscale area, near 540, and provides great dining and services that most Fairfields don't have. A new hotel, this Fairfield provided a great breakfast, cleaned & stylish rooms, an indoor pool, and a weight room with...

Hi Dave:

I was wondering when the location of play (what complexes) for the 18U teams in Cary will be posted. Thanks,

Hi Tim, sorry for the delay, was out of town for the week. At this point with all 5 age groups playing at the same time, the hosts for the Nationals are telling us that you could be playing at any complex. Since they have to wait and see what the teams numbers are and where they should play, it may not be decided until the last minute. I have been told by the hosts that no matter what hotel you stay in there should be no more than a 20-25 minute drive to any of the complexes. Thanks, Dave
